Boykapak / Furniture Door

Renklerin Konforla Buluşması

Meeting of Colors and Comfort

AGT patentli ABS birleştirme sistemiyle üretilen, yatay ve dikey olarak kullanılabilen Boykapak, MDF üzeri ön ve arka yüzü 3 katmanlı dekoratif yüzey malzemeleri ile monoblok olarak tasarlanmaktadır. AGT' nin ürün yelpazesindeki profillerle tam uyumlu olarak üretilen Boykapak, farklı renk kombinasyonlarıyla kullanıcılarına sonsuz tercih ve uygulama seçeneği sunmaktadır. Boykapak farklı kenar bitimleri (radius), geniş ürün seçeneği, pratikliği ve üretim kolaylığı, standart mobilya üretiminin tüm genişliklerine karşılık gelen ölçüleri ve kalitesi ile ustaların seçimidir.

AGT-patented Boykapak is produced with the ABS joint technology, can be used horizontally or vertically, and is designed as monoblock on MDF front and back three-layered decorative surface materials. Boykapak was produced to be fully compatible with profiles in the product range of AGT, and it offers unlimited options and applications to its users with different color combinations. Boykapak is the choice of masters with its different side finishings (radius), wide product choice, its practicality and ease of production, its measurements that can match all widths of universal furniture manufacturing, and its quality.
